

Tim Moyer

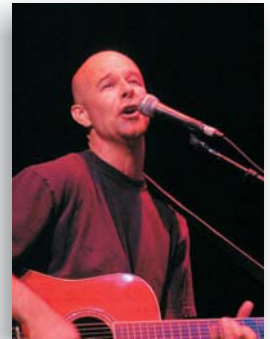

"I believe that people today are looking for truth and they can see and hear the truth in my music and performance"

Tim has dazzled audiences all over the U.S.A. armed with just his powerful voice, thinking man's lyrics, mesmerizing refrains, and his acoustic guitar. He has opened for acts like Edwin McCain, America, Marc Cohn, and has been selected among thousands to showcase at music conferences like Eat-M, Atlantis, Durango Songwriter, and Just Plain Folks. Feeling at home on any stage, Tim has performed at venues big and small from intimate coffee houses to Stadiums like Tucson Electric Park with The Doobie Brothers. Now Tim has expanded his musical territory to Europe after recently touring the Netherlands.

"He saturates every song with a sincerity all his own... Moyer's raw talent is potent and persuasive."
Tom May Amazon.com

"Best Male Performer"

Constantly active in pursuing other forms of musical experience, Tim has written and produced soundtracks for independent film and television. The title track "Out Of The Blue" is featured on the 24Frames film Touchtone release "Easier Said". Tim has recently produced and directed The Temecula Valley International Film & Music Festival's "Music Fest Extravaganza" featuring talent from around the globe

Tim has an entrepreneurial spirit, deciding to self release his CD "Out Of The Blue" on his own Surge record label. It is that spirit that has earned Tim's debut CD "Out Of The Blue", Folk Album Of The Year from Just Plain Folks. Songs from Tim's new release "Just me" has earned him "Best Male Artist" honors from The Inland Empire Music Awards.

"Best Male Artist" '05 & '06

"Best Pop Rock" '07

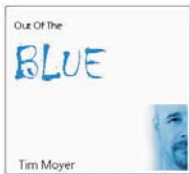

Tim is now in the studio working on his new CD to be released in the summer of '08 and is producing projects for many talented Singer/Songwriters for a new record label.

"Moyer held the sold-out audience spellbound... His appearance, his material, and especially his voice are anything but "folky.""
Pat Lewis BAM Magazine

"...A total pro and has the craft and credentials necessary for an A&R listen"
"...MOR enough to appeal to a lot of different people..."
